Election to keep insurance cover in an inactive Accumulate Plus account

Please phone us on **1800 023 928** with any questions about this form or your account.

Use of this form

*Super laws prevent us from providing insurance cover to you if your super account is considered 'inactive', unless you've elected to keep your cover even if your account becomes inactive. For the purposes of these laws, an account is 'inactive' if it hasn't received any contributions or rollovers for 16 consecutive months. You can use this form to make an election to keep your cover, even if your account doesn't receive any contributions or rollovers for 16 consecutive months. Alternatively, you can make an election **online** – log in at oursuperfund.com.au/login. It's not compulsory to make an insurance election for your account but it's important to be aware of the implications for your cover if you choose not to make an election – read the relevant **Reference Guide: Insurance Cover** at oursuperfund.com.au/pds for more details. Even if you make an insurance election, you can still cancel or reduce your cover at any time, or let us know if you want to revoke your election.*

Section 2: Election and declaration

☐ **I elect to keep any and all insurance cover** in this Accumulate Plus account, including any Death and TPD cover, Death-only cover and/or Salary Continuance cover, even if no contributions, rollovers or other amounts have been received in my account for a continuous period of 16 months or more. By choosing this option, I understand that:

- This election applies to **any and all** cover that I currently hold in my super account outlined in Section 1.
- Insurance premiums will continue to be deducted monthly from my account balance even if my account is inactive, which will reduce my super balance.
- This election continues until my account is closed, or until I notify the fund that I want to revoke an election.
- Even if I make this election, I can still cancel or reduce my insurance cover at any time.
- My amount of cover and the cost of my cover may change in accordance with the insurance policy terms, outlined in the relevant Reference Guide (oursuperfund.com.au/pds).
- My cover may end in circumstances set out in the relevant Reference Guide (oursuperfund.com.au/pds), e.g. where there are insufficient funds in my account to pay for my insurance premiums.
- I understand and consent to my information being collected, disclosed and used in accordance with the fund's privacy policy, which is available by contacting the fund or visiting **oursuperfund.com.au** (under the 'Privacy' link on the homepage).
