2. Pension payment instructions for the remainder of 2019-20

Choose **one** of the following options:

- I currently receive the minimum pension amount and want to opt-in to the reduced minimums** for 2021-22. I understand that my pension payments will stop for the remainder of 2021-22 if I've already received (or once I have received) at least the new minimum amount, and that my payments for 2021-22 will be based on the new reduced minimums, unless I request a change for that financial year.
- I currently receive a fixed pension amount and want to stop any further pension payments for 2021-22** because I've already received an amount that exceeds the reduced minimums for 2021-22. I understand that my pension payments will begin from the first applicable pay date in 2021-22 at the same fixed amount (subject to at least meeting the new reduced minimums), unless I request a change for that financial year.
- I currently receive a fixed pension amount and want to change to a new payment amount** of \$ per pension payment (gross of tax, if applicable). I understand that my pension payments will continue at this amount for 2021-22 (subject to at least meeting the new reduced minimums), unless I request a change for that financial year.

3. Declaration and signature

I declare and agree that:

- Pension payments made in accordance with my payment instructions in this form constitute a complete discharge to the trustee in respect of the amounts paid.
- If, for any reason, I have not received my minimum annual pension amount, based on the reduced minimums for 2021-22, the fund may automatically make a catch-up payment to me before the end of the financial year, as required by law.
- If I have provided my mobile number, I consent to its use for security validations, e.g. to access my statement or transact online. If I have provided my email, I consent to receiving communications such as newsletters, significant event notices and other important information to this email, although from time to time the fund may still need to send me information by post.
- If this form is signed under Power of Attorney, the Attorney declares that they have not received notice of revocation of that power. A certified copy of the Power of Attorney should be submitted with this form unless we have already sighted it.
- I understand and consent to my information being collected, disclosed and used in accordance with the fund's privacy policy, which is available by contacting the fund or visiting oursuperfund.com.au (under the 'Privacy' link on the homepage).
